

# Roland - Morris Acute Low Back Pain Disability Questionnaire

When your back hurts, you may find it difficult to do some things that you normally do.

This list contains some sentences that people have used to describe themselves when they have back pain. When you read them you may find that some stand out, because they describe you **today**. Check the box next to any sentence that describes you **today**. If the sentence does not describe you, then leave the space blank and go on to the next one. Remember, only check the sentences if you are sure that it describes you **today**.
